Feature Exchange Feature List

This document contains a list of feature Ids, feature keys, and feature text.

The feature text is dynamic depending on the branding of the vehicle but regardless of the branding it always represents the same generic feature. For example, 10500-FCB014000202 represents 4-speed automatic transmission; however, for certain vehicles the text answer could be one of the following:

- 4-speed Geartronic automatic transmission
- Getrag 4-speed automatic transmission
- TorqShift 4-speed automatic transmission
- Tremec 4-speed automatic transmission

Note: The values for Wheels and Tires are examples of a larger set of values.
